Dear Sir:

RENEWED PETITION UNDER 37 C.F.R 1.53

In response to the decision on petition under 37 C.F.R. 1.53 dated September 24, 2004, applicant is submitting this "Renewed Petition Under 37 C.F.R. 1.53" apparently for the purpose of paying the petition fee for the petition that was deemed to be unnecessary. While it would seem that the petition would have been construed as a request to amend the application, applicant authorizes the expense of the petition to be charged to Deposit Account 22-0257.

Applicant's attorney moved offices subsequent to the filing of the original petition and discontinued use of the prior deposit account. Applicant apologizes for the oversight.

Also enclosed is an amendment in the application adding Figure 43.

If any additional documentation is required, please contact the undersigned.
